

## Terms & conditions of entry to all Competitions:

All applicants should be members of a golf club affiliated to CONGU, have amateur status and be able to prove possession of an Active Handicap. Handicap allowances will be advised at registration. Competitors are limited to 1 prize per event

Bromborough Golf Club reserves the right to refuse an application. Any queries or disputes will be decided by the Competition Organiser on the day and their decision will be final. Entries will be processed strictly in order of receipt.

**Hole-in-one prizes are subject to delivery from a counterparty, a syndicate at Lloyd's of London. In the unlikely event of the counterparty being unable to provide the stated prizes Bromborough Golf club cannot be held liable.**

*No refunds will be given in the event of cancellation within 30 days of the event.  
Name changes will be processed without charge at any time.*

**Every effort must be made to avoid slow play. Players who cannot score on a hole must pick up and failure to do so may incur disqualification. In accordance with Cheshire Union guidelines parents are not allowed to caddy for or accompany their own children in the Junior Open.**

Competitors are requested to consult the Guidance notes for Visitors on our website before playing. A copy is available from our Office for those without Internet access.

Prize winners need not stay for the presentation of the trophy and medals. BGC will arrange for these to be delivered to an address for the team(s). Results will be published on the BGC website.

**Completion of an entry form assumes acceptance of the Competition Conditions as published on our website; copies are available from Bromborough GC Office.**

*Food will be available for competitors to order on the day of the events.*

**Please note that all Prize winners will be required to produce evidence of an Active CONGU Handicap. Failure to do so will result in the disqualification of the player(s) involved and the forfeiture of any prizes won.**
